Pediatric Advanced Life Support (PALS)- current

Professional Organizations:

Member, American Public Health Association
Member, Association of Physician Associates in Legal Medicine
Student Member, American Bar Association, Health Law Section

- Allied Health Professionals Task Force

Member, Food and Drug Law Institute

UNIVERSITY SERVICE

My service to the university as a faculty member in the past has been extensive. In addition to creating a highly successful graduate program, I have been part of many strategic planning initiatives and processes during my time as a faculty member and Associate Dean. I was instrumental in the design of our new educational facility on campus and have assisted with other planning efforts across many departments.
